

Satyam Pathak

MA in Liberal Studies (2021-23)

- Selected for PhD in Management (IIIT Gwalior)
- Qualified GATE 2023 in Sociology (AIR 88)
- 94.36 percentile (CAT 2022)
- Editorial internship with News18 (June-July 2022)

I enrolled in this course because I did not want to limit myself to a specific subject while exploring my options and interests. The interdisciplinary nature of liberal studies assisted me in achieving this goal. The institute's faculties encourage students to ask questions and participate in academic discussions in class and at institute-sponsored seminars, conferences, and summer schools, which help students develop their analytical reasoning.

-Satyam Pathak (MALS 2021-23)
